Fripp Audubon Club

Submitted by Mike Norman

The Fripp Island Audubon Club has had another successful year with some fantastic speakers and top-notch outings. We are looking for volunteers to fill several roles for our 2026-2027 year, specifically chairpersons for our Membership, Set-up, and Programs committees. You can contact me directly or through our website, Frippaudubonclub.org. You can also sign up for membership online.

Please be mindful of nesting birds on our beaches this summer. With help from the SCDNR, we have identified several species on the South Carolina threatened list, including Wilson's Plovers, American Oystercatchers, and Least Terns. We hope to install signage to help educate the many visitors to our island.

Please share these tips with your neighbors and renters:

- Use designated beach access points only.
- Watch carefully for chicks and eggs when using beach access paths.
- Walk directly to the waterline, quickly exiting nesting areas where chicks may be present.
- Stay off the dunes and out of water features located behind the dunes.
- Keep dogs leashed and away from nesting areas.
- Keep recreational activities on the wet sand, below the wrack line, whenever possible.
- Set up towels, chairs, and umbrellas away from nesting areas, preferably below the wrack line.
- Keep all vehicular travel below the wrack line and avoid using boardwalk access points within nesting areas.
- Back away if birds are calling and appearing distressed.

Thank you for helping us keep Fripp a special place to live and visit.

Reflections of Fripp Art Show
“A Festival to Remember”

By: Mary T. Jacobs

Recently the Fripp Island Art Guild did it again!! What a fabulous two days of celebration, sharing beautiful art and developing deeper friendships.

Saturday night was the cocktail party to preview the art, celebrate and show the first FIAG bench.

The next day was the art show. All day long many Frippers and visitors came to view, enjoy and purchase art. A student category was added this year to the festival.

FIAG deserves a big thank you from the many volunteers and members for hosting such a beautiful event on Fripp!

If you are interested in the FIAG, please visit the website or call Deborah Stroud at 865-310-2300.

The Fripp Island Pickleball Association

Submitted by Jane Marquart

The Fripp Island Pickleball Association, or FIPA for short, is wrapping up its first 6-months with a Hello Summer Beach Bash on Sunday, June 7th. This social event is an evening of camaraderie among members with entertaining pickleball games, beach music, drinks, and prizes!

To date, in addition to weekly games and the Beach Bash, FIPA celebrated the holidays (albeit a bit late) with Holiday Reindeer Games in January, and a Dink For Pink event in March, which raised \$3500 for cancer.

The Fripp Island Pickleball Association, or FIPA for short, wrapped up its first 6-months with a “Hello Summer” Beach Bash on Sunday, June 7th. This social event was an evening of camaraderie among members with entertaining pickleball games like Tiki Hut, where players had to hold a (faux) drink in one hand without spilling it while wearing hilarious sunglasses! Or not talk during the entire game! Players collected points based on their play. Beach music, drinks, snacks, and lots of prizes were all part of the evening! The big winner was Terje Sorlie. Congratulations Terje!

To date, in addition to weekly games and the Beach Bash, FIPA celebrated the holidays (albeit a bit late) with Holiday Reindeer Games in January, and a Dink For Pink event in March, which raised \$3500 for cancer.

The FIPA brags 117 members, has enjoyed weekly games on the new pickleball courts with lights, and welcomed a new Racquet Club Pro, Jess Jones. Not a bad start for Fripp pickleball and the new Association!

The structured weekly games are going on hiatus for the summer and will resume in the Fall. No worries if you want to play though! Weekly play on Mondays, 5-7pm will continue as “drop-in” play. It’s a great way to share your love for the sport with your neighbors as well as meet new people.

Some tweaks to formats and more events are in the works when regular play returns in the Fall, including a Challenge Cup with Dataw, a golf/pickleball biathlon, Dinks and Drinks, and more.

The schedule will include play on 1 Sunday per month. Game formats will rotate weekly enabling a variety of social, competitive, and mixed play so stay tuned!

If you’d like to join in the fun, contact Jane Marquart at marquart54@gmail.com. Just \$25/year. All skill levels welcome. Hope to see you on the courts!

Fripp Island Marina Memorial Day Fishing Tournament

By Captain Ralph Goodison

The boats were ready, the fisherman were ready and the weather looked good and the Fripp Island Annual Memorial Tournament kicked off.

The excitement grew as the boats all came in at the last hour of the tournament and they were not disappointed. Sweet Deal captained by Martin Manning and his crew took first place with a 29.7 lbs Dolphin, Full Circle captained by Kyle Godley and his crew took place first Wahoo with a 40.9 beauty.

Tail Walker Captained by Jim Best and his crew took first place Spanish Mackerel. The boats had and the fisherman caught lots of fish and great eating. Jeff Pickney, Nicky Roper and Lewis Turner thank the sponsors and the Fripp Company for a great Memorial Fishing Tournament.

The next fishing tournament will be the Labor Day weekend Annual Kingfish

Top: Captain Kyle Godley on his boat Full Circle holding is first place wahoo at 49.9 lbs. Wahoo are one of the fastest fish in the ocean. First Mate Jim holding one of many Dolphin they caught. Bottom: Captain Martin Manning on his Boat Sweet Deal took First Place Dolphin at 29.7 lbs

The Memorial fishing tournament had lots of work after the tournament. Captain George on Miss Lea 11 had lots of cleaning but lots of eating

Mailboxes! Mailboxes! Mailboxes!

Submitted by Martin Goodman

As you enter Fripp Island and circulate through many neighborhoods one of the first things one notices is the mailboxes. There are a variety of ways that residents and property owners receive their mail. Some residents who live on the Island full time need a mailbox to receive their mail. Others who may not live on the Island but stay for extended periods will want a mailbox for mail and packages, others just want one to identify their home.

Please note, if you do not need or want a mailbox you are NOT required to have a mailbox. Also, if identification is the need, a single post without the arm or mailbox is acceptable. There are many examples of a single post with vertical name signs across the Island.

In some neighborhoods the mail is delivered into cluster boxes. These larger mailbox units are at a specific location and serve the entire neighborhood. In other areas the mailboxes are formed in a single location with many individual mailboxes located on a “gang” post. In the Ocean Creek neighborhood the mailboxes are unique. There is one mailbox unit for two lots and they are large, 6X6 posts, and are Charleston Green in color. To some this color may look like it is black, however the color is Sherwin Williams Charleston Green. There is a green tint that can be noticed, especially in certain light and while painting. The design specifications are very specific as to size, design, dimensions and color.

In the rest of the areas on Fripp Island the mailboxes are also specific however each mailbox represents a single household/lot. Here too, the mailbox and post is very specific as to the design, dimensions, size of the mailbox and color. The color is Sherwin Williams Silverado Grey. These standards

are laid out in the covenants and the ARB Guidelines. The design specifications and a design picture is located in Section F of the FIPOA ARB Guidelines. The dimensions are very specific, including the size of the mailbox. In the Guidelines the sizes of the post, a 4X4 post, the size of the arm and mailbox are specified. The size of the letters in the optional name sign are 2” letters and the street number sign letters at 3”. The color is Sherwin Williams Silverado Gray.

There is a Sherwin Williams store on Lady’s Island near PUBLIX or Grayco Hardware on Lady’s Island can custom mix the colors. The finish is satin.

The mailboxes on Fripp Island currently are in a variety of conditions, and unfortunately most are in fair to poor condition. Many need painting and freshening up, many need new mailboxes due to damage or rust and many need to be repaired or replaced. If someone just goes to a local store and buys a new grey mailbox and installs it, the box will not be in compliance, it must be painted to the proper color as specified in the covenants/guidelines.

If there is a need for a mailbox to be painted, repaired or replaced, there are contractors on the Island that can assist. The FIPOA office can provide the contact information of the contractors, or they are listed on the new FIPOA website.

Please take a look at your mailbox and if it needs to be updated, please take action to improve it. The entire Island will benefit from having all mailboxes in compliance.

FISHING REPORT

GREAT FISHING AND BOATING AHEAD

By Captain Ralph Goodison

Talk to any Captain, Fisherman and Boat owner "It could not be better in Carolina than Fripp Island". We are lucky to be at one of the best Boating areas, unbelievable waterways and nearly 50,000 of wetlands and some of the best fishing on the coast. And if you want to boat enjoy the beautiful waterways and wetlands. If you want to fish, GET READY fishing is GOOD.

How Big are Spade Fish, Great Eating tonight.

FISHING REPORT:

INSHORE: Fishing has been Good with good catches of Redfish, Sharks, Spadefish, and Flounder and Trout Showing.

NEARSHORE: Fripp Reef, 6HI Cobia are Hot, Grouper and Spadefish are good and Spanish Mackerel are improving.

Gulfstream: Dolphin are slowing down, but Good numbers of Sailfish are being caught. Wahoo and Kingfish are showing.

The fishing and boating season are in full swing and so is the marina. The marina store is well stocked fishing and boating equipment and has a handy minimart.

The deli is hard to beat, It has great sandwiches and treats. You can rent one of our great captains for fishing or rent your own boat for a day on the water. If you want a quiet adventure a paddle boat may be an enjoyable day on the water.

Remember the golf cart rental is on Tarpon Road near the Community Center. One thing Fripp Island is a great destination, to enjoy for a lifetime or a day.

But remember,
"FRIPP ISLAND IS NOT
PERFECT BUT IT IS DARN
CLOSE."

I had to sit down after catching this beauty with the help of Captain George. People ask how is the fishing around the Fripp Bridge. Brothers catch could it be brothers fish on Miss Lea 11 Good Sail Fishing in the Gulf Stream

Quote of the month:

I am very aware that we can only think one thought at a time. So, I refuse to think negative thoughts that keep the good out.

Louise L. Hay

"What is the History of the 4th of July"

Dear Readers:

So many times our young children celebrate a holiday and we fail to explain what the holiday really means. The story that follows will help you explain and describe the meaning of why we celebrate the 4th of July.

In the mid-18th century, the thirteen American colonies were ruled by the British. Taxes like the Stamp Act of 1765 and the Tea Act of 1773, was imposed on the American colonies and they did not have any voice in the decision making about these taxes. They began to have wars such as the Boston Massacre (1770) and the Boston tea Party ((1773). The colonists, dressed as Native Americans, dumped tea into the harbor. Did not sound like a very good party!

By 1774, the colonies convened the First Continental Congress in Philadelphia, asking to address the grievances with King George III. The plan did not work and finally in 1775 began the major conflict- The American Revolutionary War.

A little over a year later in June 1776, the Second Continental Congress met again in Philadelphia and debated the independence from Britain. After a lot of discussion one of the members, Virginia's Richard Henry Lee proposed a resolution for a break from Britain. Thomas Jefferson had drafted a document stating the reasons why the colonies wanted to do this.

After a great deal of revisions, they passed the Declaration of Independence on July 4, 1776.

The Declaration was a bold statement of principles, stating that all men are created equal, with certain given rights to life, liberty, and the pursuit of happiness. John Hancock, president of the Congress, famously signed it with a flourish, supposedly saying, "There, I guess King George will be able to read that!"

Learning around the dinner table. Please discuss the following items with your children. Read the article to your children then discuss the list below.

1. What does the word flourish mean?
2. We have all heard the saying for folks to put their John Hancock on the letter or form. Discuss how this happened and what John Hancock said.
3. Do we still talk about the Declaration of Independence? And if so why or why not discuss it.
4. Look up the Declaration of Independence and read it to your children.
5. What does the word grievance mean?
6. Do we still have grievances today? Explain why we still have grievances.

In closing, I hope we all have a better understanding of why we still celebrate the 4th of July.

Please wish your family and friends a Happy 4th of July!!

Hope to see you at the Fripp Island 4th of July parade!
I will be waving an American flag and hope you will be too!

“Bid for a Great Cause”

By: Mary T. Jacobs, Communications Officer

The Annual Fripp Island Sea Rescue Online auction will begin August 24th and will end September 7th.

The Auction will offer an exciting collection of experiences, local art, vacation stays, dining packages, home décor, boating excursions, and much more. Every bid helps to support the lifesaving mission of FISR, nonprofit organization dedicated to assisting boaters in distress.

Proceeds help fund rescue vessels, equipment, training, and operational expenses that enable volunteers to respond to emergencies 24 hours a day, 365 days a year. Members of FISR refer to this as **911 on water!**

FISR sponsors two fund raisers per year. The annual golf tournament is held in March and the annual online auction has been moved to August/September beginning this year.

SAVE THE DATE: August 24th to September 7th

Broadway Comes Home: Jenn Colella Takes the Helm of SSTI's Oklahoma!

Written by Addison Alberda

This summer, when Tony Award nominee Jenn Colella steps into rehearsal for the Southeastern Summer Theatre Institute's production of Oklahoma!, she will not simply be directing a classic American musical. She will be returning to a show that helped introduce her to theatre, returning to her South Carolina roots, and taking on a new role as a director.

For Colella, the assignment feels unusually personal.

For nearly two decades, the Southeastern Broadway Comes Home: Jenn Colella Takes the Helm of SSTI's Oklahoma!

Tickets are on sale now at SummerMusicals.com

"Interestingly enough, Oklahoma! was the first show that I ever did, and I'm directing it at SSTI this summer," Colella said during a recent appearance on iHeartRadio's DRAMA podcast. "I feel like this is a big moment."

That big moment arrives in Beaufort this summer as SSTI presents Oklahoma! at Beaufort High School, opening July 25 as the second production in the organization's nineteenth season. For a company known throughout the Lowcountry for producing large-scale summer musicals with student performers, professional creative teams, and full orchestras, the production marks both a continuation and a new chapter.

For years, SSTI's summer productions were staged at Hilton Head High School. This season, with the Hilton Head campus undergoing construction, the company moved its performances to Beaufort High School. The change has brought SSTI into a new community while still drawing audiences from Hilton Head, Bluffton, Beaufort, Sun City, Fripp, and beyond.

The move has also created a different rhythm for the company's summer. Restaurants, coffee shops, and local businesses in Beaufort have quickly become gathering places for SSTI's staff of more than 40 professional artists, technicians, musicians, and administrators.

"SSTI has made itself right at home in Beaufort," says SSTI founder and director Ben Wolfe. "The businesses here have been incredibly supportive, with some, like lunch hotspot Mameem and Maudie, creating special menu items to welcome SSTI to Beaufort. It's incredibly thoughtful and kind. Beaufort quickly felt like home."

The season opened with All Shook Up, a rock-and-roll celebration built around the music of Elvis Presley. Now, SSTI turns to a very different corner of the American musical theatre canon: Rodgers and Hammerstein's Oklahoma!

First produced on Broadway in 1943, Oklahoma! changed the shape of the American musical. Rather than treating songs, scenes, and dances as separate entertainments, Rodgers and Hammerstein wove them together into a unified story in which music, character, romance, humor, and conflict all served the same dramatic purpose. More than 80 years later, its songs remain instantly recognizable: "Oh, What a Beautiful Mornin'," "People Will Say We're in Love," "Kansas City," and, of course, "The Surrey with the Fringe on Top."

SSTI's production will embrace the sweep and warmth of the classic while allowing Colella to bring her own perspective to the material.

"Jenn is interested in the human stakes beneath the well-known songs and iconic moments," Wolfe adds. "The result promises to be a production that honors the Golden Age musical tradition while inviting audiences to see its characters as living, conflicted people."

Colella's own connection to Oklahoma! began far from Broadway. She grew up in Summerville, South Carolina, where theatre opportunities were limited. On the DRAMA podcast, she recalled a woman who taught drama out of her garage and gathered a small group of young performers. In that modest setting, on a tiny stage with carpet, Colella played Gertie Cummings in Oklahoma!

From that early experience in South Carolina, Colella's career eventually carried her to Broadway. She earned a Tony Award nomination for her performance in Come From Away and has built a wide-ranging career as a performer, teacher, and guest artist. She has taught at institutions including Columbia University and Pace University, led master classes around the country, and appeared on television, including a recurring role on the CBS drama Elsbeth.

Her relationship with SSTI is also long-standing. Colella has taught for the program for many summers, working directly with young performers who come to the Lowcountry from across the country for an intensive professional training experience. Wolfe had asked her to direct before, but the timing had never been right.

"Ben had invited me to direct before, and I've been too scared to commit," Colella said. "I finally just kind of took a breath and said 'yes' this time."

That yes has special meaning. It brings Colella back to South Carolina, where much of her family still lives, and back to the musical that helped open the door to theatre for her in the first place. It also gives SSTI students the chance to work under the direction of an artist who knows firsthand what it means to build a life in the professional theatre.

"I get to be home and do something new and exciting," Colella said. "I'm really stoked."

Oklahoma! will be performed at Beaufort High School, 84 Sea Island Parkway, Beaufort, SC 29907. Performance dates are July 25, 30, 31 and August 1 at 7:30 p.m., and July 26, August 1 and August 2 at 1 p.m.

All tickets are \$45 and all seats are reserved. Tickets are on sale now at SummerMusicals.com or by calling 866-749-2228.

Summer play is well under way and with very pleasant temperatures to start, we are now in the heat of the summer. We will continue to have regular games with awards, plus a scramble with the 9 hole Ladies the first Tuesday of the month. The final results for our 2026 Memorial Match Play tournament are finally in, with Betsy Watts being our new Champion! Great playing Betsy.

Our Blue/White Match play tournament was held on May 19th. Sixteen members played, with the Blue team dominating the White team 10 ½ points to 1 ½ points.

Our new "Top Gator" for May goes to Jan Bialas.

We finished up our Spring season with a very wet WGA Ladies Member/Guest tournament. Our theme for this year "Red, Wine and Brews" also had a dose of rain. Congratulations to everyone that toughed it out through the rain drops and wind, the scores were amazingly good given the difficult conditions.

Below are our tournament results.
Overall Champions - Jerri Mifflin and Jill Stevens with 46 Stableford Points
Runners Up - Patti Schuette and Valerie Lesniak with 41 Stableford Points

Fripp Island WGA welcomes new members and hopes that anyone with an interest in playing will come out and join us.

For further information, you may contact Michelle Proser, President, 410-733-3336 or email mproserpe@gmail.com or either of the two Pro shops.

Intermediate to Advanced Oil Painting - October 10th, 2026 9am-5pm

Join accomplished Lowcountry artist Mary Segars for an in-depth exploration of landscape painting in oils. Designed for intermediate to advanced painters, this workshop focuses on refining your skills in composition, color harmony, and texture to create expressive, cohesive landscapes. Mary will demonstrate advanced techniques for building depth, capturing light, and bringing emotion and movement to your work, while providing individualized guidance to help you strengthen your personal style.
