ABDI Gate Access is available in the Google Play or Apple App store. The icon will look like a blue stop sign with an “A logo”.

You will need to set up your account with the FIPOA office initially by calling 843-838-4155.

To login, please make sure you select the Community Code **FIPOA** from the drop down at the top. Then enter your username and password.

You can also use Gate Access online at [gateaccess.net](http://gateaccess.net).

Once you login, you are on the guests screen. This will display your pending guest passes, and by default, expired guests are not shown, but you can show them, by sliding the dot to the right.

In the upper right corner, you have three options, the first is to add a single guest, second is notifications and the third is to log out.

At the bottom, guests displays the current passes, history or previous guests, and account options.

To add a guest, click the first icon in the upper right corner.

You can edit or delete any guest by swiping left on the entry from the guests screen.

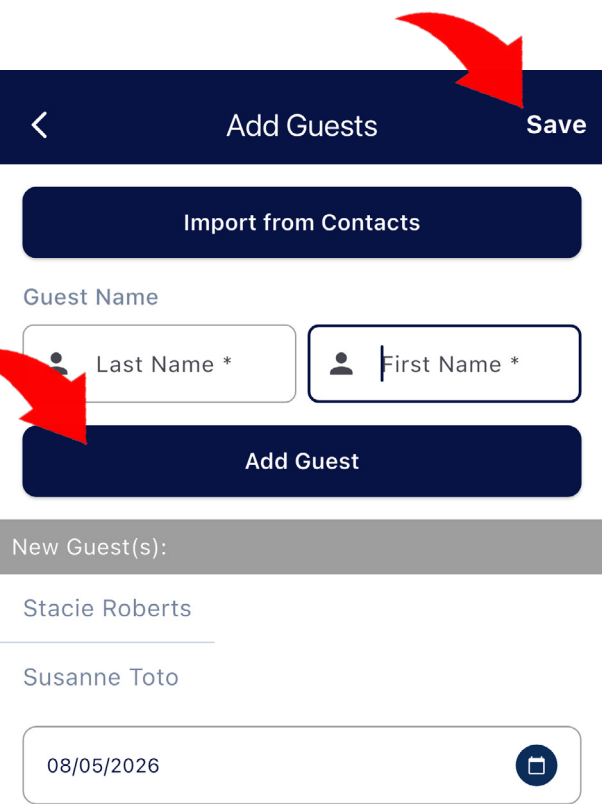

To enter multiple guests for one day, select account, bottom right.

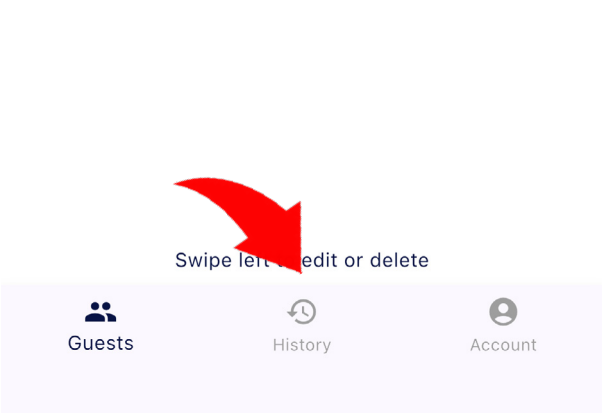

Then select Add Event Guests.

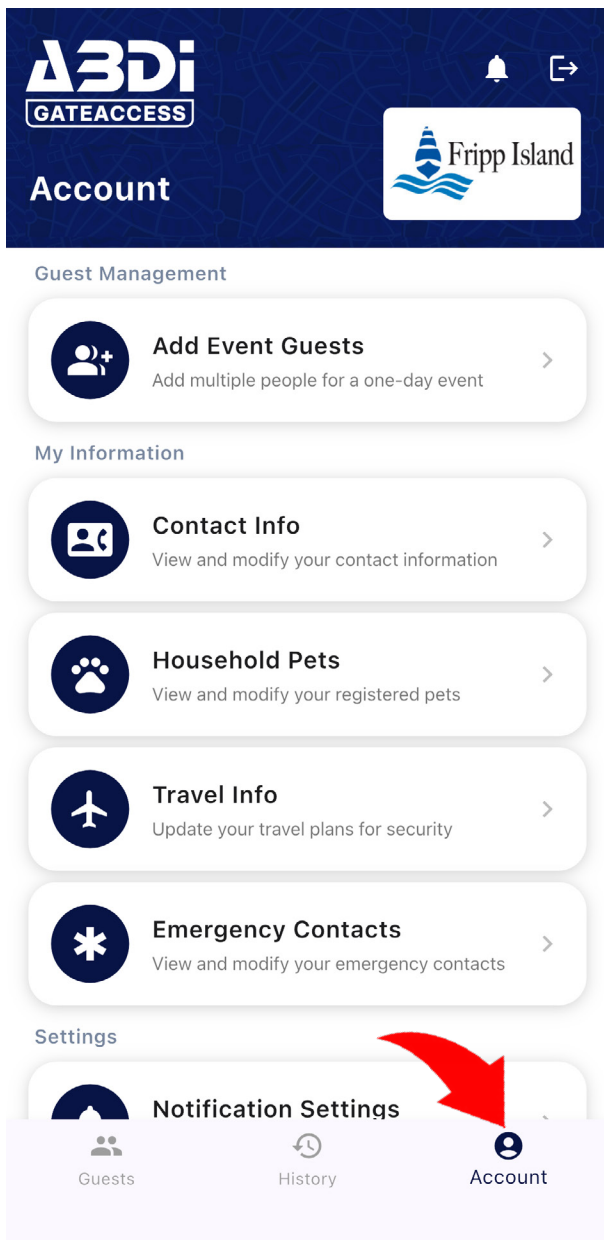

Enter the last and first name, then add guest. Once you have entered your guests, select the event date, and press save. QR codes will not be generated for the multi-guest option.

You can view your previous guests by pressing history at the bottom.

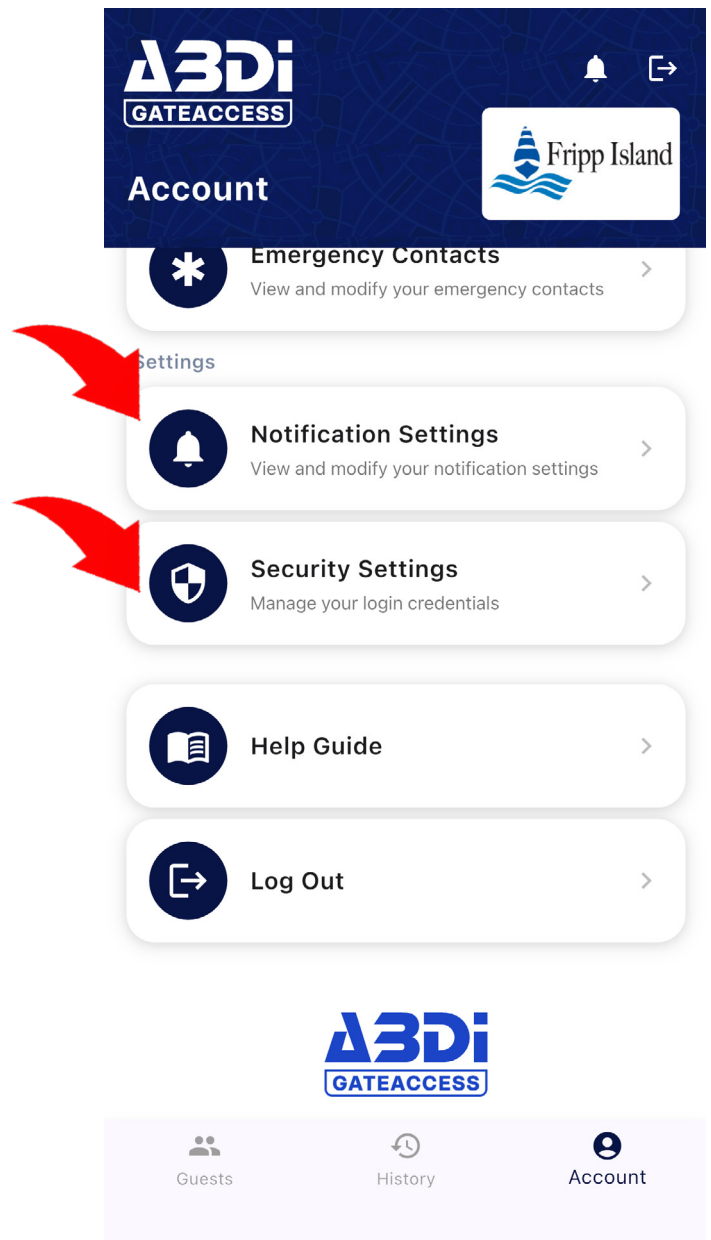

From the account screen, under my information, you have options such as Contact Info, where you can update your phone numbers, and email addresses.

Travel Info - Please note that this does not set up a house watch, and you should contact security at 843-838-2334.

Also the option to list your emergency contacts and household pets.

Under settings, you can update your guest arrival notification settings. *Please note that the text notifications may not work with some providers.* You can also check your app settings and enable notifications to receive guest arrival notifications directly from the app.

Also under security settings, you have the option to update your username and password. If you need assistance please call 843-838-4155.
